Transition Times

We are back up and running! Thank you so much for your patience with receiving this newsletter late, as my house was without power for two and a half days due to Wednesday's severe weather.

June Deadlines Update

Updates for past/future June deadlines below!

Writing Placement

This closed on Friday, June 5. If you did not complete, it will reopen for about a week and a half in July. You will receive an email at that time with details so keep an eye out.

Second Language

The deadline was Friday, June 5 but the link is still open for those who need to take a placement exam. Not doing so ASAP will likely delay the pre-registration for your fall classes.

Housing Application

Ongoing (Notifications began May 27)

Reference your Online Orientation for more details and contact information for questions!

First OG Meet-Ups This Week!

This past week your Griffin sent you an email with information about joining your Orientation Group for the summer. If you haven't already please read it! They will be hosting the first online meet-up this week (June 8-12) and created a GroupMe so you can begin or continue to meet other incoming new transfer students.

For this first meet-up you'll be doing some fun activities and hear about what we have planned for future online meet-ups this summer.
You DON'T want to miss it!

Summer Classes at TCNJ

Interested in taking a TCNJ class online this summer? There is still availability for Session II (June 15-July 20) and Session III (July 20-August 21). Email summer@tcnj.edu for instructions and next steps; the Summer Programs Office will provide you with a specific contact person in your

academic department to speak with about advisement and approval for your course.
