First-Year Orientation Schedule for Families & Guests

Afternoon Sessions

Students and families have different needs at this point in the transition, and our goal is to have you leave campus after orientation with your questions answered and concerns eased. Please attend whatever sessions and events listed below will do just that! If you came with guests, we highly encourage you to split up to attend as many as possible.

- 1:30-4:30p **See a Residence Hall Room, *Various Locations***
Is your student living on campus next year? Orientation Leaders will escort families in small groups, and be available outside to answer questions about life as a residential student. We will show a room in each of the following halls: **Centennial; Cromwell; Ely; Norsworthy; Travers; and Wolfe**. Rooms will be shown continuously during this time, however due to high volume please be prepared to wait.
- 1:30-2:00p **Career & Leadership Development, *Kendall Hall, Main Stage***
We know one of the reasons students and families choose TCNJ is due to our outcomes, and the Career & Leadership Development Office is critical to that effort! This overview will include their mission, how they help students, and examples of events and programs hosted throughout the academic year.
- 1:30-2:00p **Building Inclusive Relationships as a First-Year Student, *Music Building, Mayo Concert Hall***
Finding parts of TCNJ to make it feel more like home is incredibly important. The Division of Inclusive Excellence will share opportunities to explore cultural traditions and experiences that are both new and familiar while, most importantly, understanding the difference between "fitting in" and finding a true sense of belonging to the campus community.
- 2:00-2:30p **Student Employment 101, *Music Building, Mayo Concert Hall***
Working on campus is a tremendous opportunity to meet peers outside of your major and gain valuable experience outside of the classroom. This session will cover important information including timeline, tips for applying, and documentation you'll need.
- 2:00-2:30p **What Comes Next?, *Kendall Hall, Main Stage***
Co-hosted by the Office of Student Transitions, the Office of Records & Registration, and the Office of Residential Education. Lindsay, Frank, and Tina will provide helpful information about the rest of the summer transition (Welcome Week), broader academic-related topics (course registration; FERPA; academic calendar; mid-year progress reports; etc.) and FAQs about move-in and living on campus.
- 2:45-3:15p **Thrive @ TCNJ: Health and Wellness Overview, *Kendall Hall, Main Stage***
All of our student support offices are focused on the holistic health and wellness of our community, but two key areas leading that charge are Student Health Services (SHS) and Counseling & Prevention Services (CAPS). In this session both will host overviews of their offices and share key information for families to know.
- 3:15-3:45p **Paying The Bill... and More!, *Kendall Hall, Main Stage***
In addition to collecting tuition and fees, our Office of Student Accounts also manages the billing
