Online Orientation Updates

Module 4: First Semester Worksheet

Status: Opens TODAY (Monday, June 2)

Includes: Link to complete the Worksheet!

Due: Tuesday, June 17

We use the Worksheet to pre-register you for your Fall 2025 classes.

It is the most important task you have to do all summer with regards to your first semester schedule!

Roscoe Tip

Use a desktop computer! Completing the Worksheet on a mobile device is much more difficult. You can also save and return at any time.

Questions? Email fsw@tcnj.edu.

Summer Reading Assignment

Each year the incoming first-year class participates in a summer reading program. More details about the assignment (due in August)

will be shared in the coming weeks, but in the meantime feel free to get a jump start on the book!

Specialty Housing Options

For first-year students who plan to live on campus next year, we have two specialty housing options available:

Gender Inclusive Housing (or GIH)

For students who wish to live in an inclusive space regardless of gender identity or assigned sex.

UMOJA (a multicultural living learning community experience)
An intentional space for students to create community and explore the experience of being BIPOC (Black Indigenous Persons of Color) at a predominately white institution (PWI).

If you are interested in either, email housing@tcnj.edu for details.
