11:00am-12:00pm (Brower Student Center Room 104)

Attend an information session to learn about the Student Transition Leader position; in particular our Griffin role. Griffin staff will work to create a friendly and helpful environment in which transfer students can find answers to their many questions and concerns, be linked to available on campus resources, find their sense of belonging and solidify their decision to transfer to The College of New Jersey. Join us to learn more about the application and selection process.

Transfers Rock (Arts & Crafts)

2:00pm-4:00pm (Brower Student Center Room 216)

Looking for a creative way to unwind? Come take a break from classes, destress and let your artistic side shine by painting a rock that will be placed around campus as a way to leave your mark here at TCNJ! Co-Sponsored with Tau Sigma, the academic honor society that recognizes and promotes the excellence and involvement of transfer students. Rocks, paint and Insomnia Cookies will be provided.
